

PADMA OM SUDHAMSH

7013927558 · omsudhamsh@gmail.com · [LinkedIn](#) · [GitHub](#)

Summary

Frontend Developer with expertise in **React.js**, **JavaScript (ES6+)**, **HTML5**, and responsive design. Skilled in building Single Page Applications (SPA) with component-based architecture and **UI/UX optimization**. Passionate about agile development, problem-solving, and continuously learning through hackathons, real-world projects, and technical writing.

Projects

One-Time Secure File Sharing Web App [\[Live\]](#)

April 2025

Developed a web application that enables users to share files through one-time access links, ensuring privacy with end-to-end encryption. Implemented automatic file deletion after first download, providing a secure, trace-free sharing experience with a clean and minimal UI.

Personal Portfolio Website [\[Live\]](#)

Dec 2024

A personal portfolio website built using HTML5 and CSS3 to showcase my journey, skills, and projects. Fully responsive, visually appealing, and deployed via GitHub Pages for easy access.

Interactive Tic-Tac-Toe Game [\[Live\]](#)

May 2024

A professional portfolio website built with HTML5 and CSS3 to showcase my skills and projects. Fully responsive, visually appealing, and optimized for seamless user experience across devices.

Skills

Web Development: React.js, JavaScript (ES6+), HTML5, CSS3, Git, GitHub

Design & UI: Figma, UI/UX Optimization, Wireframing

Programming: Java, Python, C.

Databases: MySQL, Supabase, Mongoose(MongoDB)

Frameworks: NumPy, Pandas, scikit-learn

Core Concepts: Data Structures and Algorithms, Object Oriented Programming, DBMS

Learning & Writing: Technical Writing [Medium](#), [IBM](#) Cloud Essentials, Python for [Data Science](#)

Key Achievements

2nd Place Winner – Convergence Hackathon, VNRVJIET.

Built a deaf communication system that translates between Indian Sign Language (ISL) and text, using TensorFlow and Python (LTPS) for gesture recognition.

- Manually trained a custom ML model using TensorFlow to recognize hand gestures.
- Developed the frontend using React Native, enabling smooth cross-platform interaction.

Competitive Programming: [Code Chef](#) rating of 1106, demonstrating problem-solving ability and coding proficiency.

Education

CMR College of Engineering and Technology, Hyderabad
B. Tech in CSE (Artificial Intelligence and Machine Learning)

2023 - 2027
CGPA: 8.49

Delhi Junior College (PCM)
Intermediate – TSBIE

2022 - 2023
Percentage: 86.6%
